

## OFFSHORE & ONLINE INTERNATIONAL STUDENTS - 2020 TUITION FEES

Students who are not resident in Australia and are out of Australia, may enroll in our following courses online through E-Learning. If you would like to complete your course practical placement in Australia or at any of our approved overseas facilities, please notify your enrolment officer.

Students who want to undertake all their studies in Australia but are currently restricted due to COVID19 virus travel restrictions, may begin their online study for the special reduced individual courses (certificate level qualifications) and enroll to transition for the further onshore discounted packages below on the required student visa
